- A break is scheduled after the first two tests.
- Do not engage in any prohibited behavior at the test center. (See [www.actstudent.org](http://www.actstudent.org) for details.)
- You will normally be dismissed about 12:15 p.m. if you take the ACT (No Writing) or about 1:00 p.m. if you take the ACT Plus Writing.
- Once you break the seal on your test booklet, you cannot later request a Test Date Change, even if you do not complete testing.

### How Soon Scores Are Reported

#### Viewing Your Scores and Score Report on the Web

- Schedules for posting scores after each test date are at [www.actstudent.org](http://www.actstudent.org) along with reasons why some scores take longer.
- If you take the ACT Plus Writing, your Writing scores will be added as soon as they are available, usually about 2 weeks after your multiple-choice scores are posted.
- Normally, all scores are posted by 8 weeks after the test date.
- Your score report will also be delivered through your Web account.

#### Student Reports by Mail

- If you register online and want to receive a paper report in the mail, you must request that when you register.
- Reports are normally mailed 3-8 weeks after the test date. (ACT Plus Writing reports are mailed only when all your scores are available, including Writing, normally 5-8 weeks after the test date.)

#### Reporting To Colleges

- You can add, change, or delete the colleges you list on your registration up to 12 noon central time the Thursday immediately after the regularly scheduled Saturday test date.
- Each college selects the method and frequency of reporting—at least every two weeks.

### Problems on Test Day

- In the event of inclement weather, listen to your local radio or TV station for announcements about the status of your test center. ACT will post reschedule information on [www.actstudent.org](http://www.actstudent.org).
- If you have to leave the test center before completing all your tests, you must decide whether or not you want your answer document scored AND inform the room supervisor or test supervisor of your decision. If you do not, your answer document will be scored.
- If you decide to stop testing after you break the seal on your test booklet, but later decide to test again, you must re-register and pay the full basic fee for your test option.
